

OCTOBER IS BREAST CANCER AWARENESS MONTH!

Please join us in raising money for breast cancer research and a cure ...

Every year we ask all of you to sponsor a sign at the gazebo in Mt. Pleasant for \$25.

We donate all signs and materials so ALL funds collected go to **A Glimmer of Hope** foundation to support breast cancer research, testing, treatment and patient support.

Your sign stays up the whole month of October. They can be in honor of a survivor or in memory of someone who has lost their life to cancer (*it doesn't just have to be breast cancer*), we personalize each sign as you would like and will add the appropriate ribbon color for each sign. We've also had many wonderful businesses who join in and sponsor a sign every year and advertise their business. Please consider sponsoring a sign or making a donation. Breast cancer effects all of us in one way or another, let's find a cure together!

Thank you to all who support our cause!

You can purchase a sign by calling us at 724-547-2222 or Val's Family Styles at 724-547-5113.

All checks can be made payable to A Glimmer of Hope.
