

## North Allegheny Student Section Pink Out Event!

For many years, the North Allegheny Student Section has supported Glimmer of Hope – a local organization with the goal of completely eradicating breast cancer.

They also believe that what is raised in Pittsburgh should stay in Pittsburgh. Money that our kids have worked so hard to earn for the organization is

going to help local hospitals and people who live right in our community.

The day of the Pink Out is Friday, 10/8 – the same day as the homecoming game. We are hurriedly making shirts here at NASH for the event. Please consider purchasing a shirt and / or making a donation. Information can be found in this link for orders -

<https://forms.gle/pq6yG8T3tpx8vdnD6>

Please go crazy with your pink outfits all day on that Friday, and especially at the game on Friday night. We want everyone in North Allegheny who is fighting the battle against breast cancer to know that we stand with them.
